Commissioner,

Thank you for checking.

I've been told that FedEx has committed to \$1k, International Paper \$1K, and AutoZone \$500. There is one presenter from Las Vegas coming; a Captain Yatomi. The costs for her should be more than covered. I'm uncertain how to best arrange for the funding. I've been advised that Captain Yatomi / Las Vegas Metro will invoice us for the expenses. The intention is to forward to The Crime Commission said invoice and that the funds would be paid out of the moneys donated.

International Paper contacted me today about a "donation form"(?) they needed to fill out to accompany their donation. Is there such a document?

I believe we can do these type presentations on an ongoing basis. Shelby Farms has stated they will make their facilities available most any time. I am hoping to work with you on bringing more presentations like this at least every year.

The interest is considerable. I had to cap the tickets available to this presentation to 350 and we will exceed that. We are at 340 now.

I want to talk with you soon to discuss some other ideas. Currently I am in Staff and Command in Nashville. If you are interested, I would appreciate your guidance (mentorship) on how best to proceed with future events.

**Very respectfully,**

**Kevin**
